GENERAL BUDGET

The GREATEST need for any non-profit is donations for the General Budget. This is the least glamorous part of the ministry, but a very necessary component! God has grown Stepstones to the point we need to expand and add staff, but with this growth comes the need for added resources.

Tax-deductable Contributions can be made by selecting an item listed above and making a check payable to Stepstones Ministry International, record your selection in the memo line of the check and send to P.O. Box 981 Belton, Texas 76513.

I would like to express my appreciation for considering the opportunity to contribute to Stepstones as we strive to share the love of Christ in practical ways! Any amount will go along way to sustain the ministry and touch lives for God's glory. Merry Christmas and a Happy New Year!

Sincerely,

Mike Brister
